

Bible Study: **Creating a Barrier of Truth** Text: Psalm 25:5

Big Idea: **Elevating your mind so God can elevate your life**

Creating a Barrier of Truth

The only antidote for a lie is truth. The antidote for a negative way of thinking is a new way of thinking. Instead of living in a rut of lies, you can create a barrier of truth diverting the flow of your thoughts from lies to the truth. To stop the lies and replace them with truth, we need to look to God's Word. The weapon that God gives us for the battle we are fighting is His Word. His truth is what can set us free, and we are going to choose specific Bible verses to create a new way of thinking. Using God's Word will create a **Barrier of Truth**. We must not only know God's Word we must internalize it (**Psalm 119.11**). The Bible speaks to all of our problems. God's Word gives us truth that empowers us to break free from lies of destruction and onto a new path and way of thinking.

Think on the truth (**Phil. 4.8**).

Trust that God is faithful (Ps. 86.11; Ps. 33.4; Num. 23.19).

Allow God to **lead** you (Ps. 43.3).

Know that God's love for you is unfailing (Ps. 26.3).

Place your **thoughts** in God's hands (Ps. 31.5).

The **truth** will save your life (Prov. 14.25).

Put away **falsehood** (Eph. 4.25).
